20TH ANNIVERSARY LUNCH EXETER COLLEGE 27th February 2010

Dear Member,

I wish you and all our Members and their families a Happy New Year on behalf of all members of the Committee.

As we indicated during the course of last year we have been planning to hold a special lunch to celebrate the 20th Anniversary of the founding of OSGUG and I would like to invite all members plus spouse, partner or guest to attend.

Distinguished guests who will be present will include:

- **Sir William Kerr Fraser**, Former Principal and Chancellor of Glasgow University and Patron of OSGUG. Sir William has kindly agreed to speak after the meal on *Glasgow, the University and Scotland* before proposing a **Toast to OSGUG**.
- **Professor David Barlow**, Dean of the Faculty of Medicine at Glasgow who is a former member of OSGUG and
- **Frances Cairncross**, Rector of Exeter College, whose father the late Sir Alex Cairncross was our previous much loved Patron.

The format of the lunch will be as follows:

12.30 p.m.	Reception in the Rector's Drawing Room
1.15 p.m.	Two course lunch (Main Course & Dessert)
2.15 p.m.	Speeches and Toasts
3.00/3.15 p.m.	Close

Places for the lunch will cost £30 to include drinks beforehand, wine with the meal and the toasts. This is priced below cost but the Committee feels it is right on this very auspicious occasion to put part of the members' annual subscription towards the cost. I do hope to see many of you there to celebrate with us the 20th Anniversary and the past achievements of our Society.

Exeter College is in the heart of Oxford City Centre where Parking facilities are extremely limited. Best advice is to use Park and Ride facilities and come into Oxford by bus. Please complete and return as soon as possible

Oxford Society of Glasgow University Graduates

with your payment the cut off Form of Acceptance / or Regret to Tom Hanson and certainly by the **deadline date of 7th February**.

Whilst writing could I just draw to your attention the new OSGUG website www.osgug.org.uk which has been set up by Alistair Mills. While it is still in its development stage we hope that it will provide a focal point of interest, news and events plus a shop window for potential new members. Alistair is kindly acting as webmaster and will be happy to receive any contributions you may care to offer for publication on the site. He has been co-opted on to the Committee where his contribution is highly valued.

Kindest Regards

Irene McKenzie
President

We need to know the numbers attending to plan for catering.

Please note tickets will **not** be issued for this event. Maximum seating capacity is 150 so we hope there will be room for everyone who wants to attend. In the unlikely event of over subscription we will confirm places on a first come first served basis! .

Please cut and remit with your payment :
